ANNEXURE-II

1. BRIEF OF THE WORK

Baddi Infrastructure a not for profit Special Purpose Vehicle (SPV) of Baddi-Barotiwala Nalagarh Industries' Association constituted under section 25 of the Companies Act, 1956 having its registered Office in EPIP Phase-I, Jharmajri, Tehsil Baddi Distt. Solan (HP) PIN:174103 intends to carry out construction of a sewage treatment plant of 5.5 million litres per day capacity and its operation by integration with the existing Common Effluent Treatment (CETP) of capacity 25 million litres per day located at Kenduwal, Tehsil Baddi Distt. Solan. Project is to be implemented on turnkey basis with the operation of the sewage treatment plant up to a period of thirty years. Treatment charges during the operation of STP will be paid by Municipal Council, Baddi @ Rs. 2.75 (Rupees Two and Paise Seventy Five only) per m³ of sewage received at the inlet of the CETP site. The quantity of sewage has been estimated as 5.5MLD for which the treatment needs to be provided at the CETP site. In case the actual quantity of sewage on any day is between 0 to 3 MLD; treatment charges shall be payable considering a minimum quantity of 3MLD. The charges mentioned above shall be subject to price escalation to be determined at a weighted average of Wholesale Price Index (WPI) and Consumer Price Index (CPI) at the rate of 75% weightage to WPI and 25% weightage to CPI as published by the Government of India. Price revision shall be applicable after every two years period starting from April of the starting year of operation.

PRE-QUALIFICATION CRITERIA

The Contractors will be evaluated on the basis of following Pre-qualification criteria:-

1. The Contractor should have satisfactorily executed similar works of at least three Sewage Treatment Plants (STP) and / or Common Effluent Treatment Plants (CETP) of capacity 5.0 Mld or more.
2. Contractor should have an experience of operating and maintaining 5 Mld or more capacity of STP and / or CETP for minimum period of 3 years according to the norms prescribed by the statutory authorities;
3. Must possess adequately trained and qualified staff for construction and operation of STP and / or CETP;
4. Must possess adequate plant, equipment & machinery for construction of STP and / or CETP;

5. Must have a turnover of Rs 15 crores or above in the preceding three years.

Note: In support of above pre-qualification criteria the contractor should attach the following documents:

- Copy of Work Order for works of Sewage Treatment Plants (STP) and / or Common Effluent Treatment Plants (CETP) from any Govt. Agency of State or Central or other authority.
- Copy of completion certificate in case of completed work from client or Payment Certificate in case of ongoing work.
- Copy of certificate from the client(s) for satisfactory operation & maintenance of the Sewage Treatment Plants (STP) and / or Common Effluent Treatment Plants (CETP) according to the norms prescribed.
- Certificate from a Chartered Account indicating the financial turnover during the last three years.
- Besides this the Contractor is also required to fill-up Annexure-I to Annexure- V enclosed.
- **Application money for Rs.10, 000/- (Rupees Ten Thousand only)** shall be submitted by way of Demand Draft drawn on any Scheduled/ Nationalized Bank in favour of Baddi Infrastructure payable at Baddi. The application money shall be refunded to the unsuccessful applicants. In case of shortlisted competent applicants the above application money (Rs.10, 000/-) shall be adjusted in the value of Security Deposit to be submitted by the successful bidder while receiving the financial bids. No interest shall be payable on application money at any stage prior to refund or adjustment, as the case may be.
